HENRY HEDGEHOG'S REFLECTIONS & SHADOWS

Ready for a picture-taking treasure hunt? Your challenge is to snap 5 photos of reflections and 5 of shadows!

Look for reflections in mirrors, windows, shiny spoons, or puddles. Can you find yourself in a reflection? Now go on a shadow hunt! Look for funny shapes in your own shadow, in tree shadows, or on the ground. Try making silly shadows with your hands and a flashlight!

If you can print your 10 photos, mix them up and arrange them into a super-cool collage. Move them around, try different patterns, and create your very own shadow-and-shine masterpiece!
